BENEFITS FOR STUDENTS

STUDENT CHALLENGE	FLYWIRE SOLUTION
Inflated Exchange Rates & Fees The cost of education typically increases 3-6% when banks process the foreign exchange.	We protect payers by securing wholesale exchange rates worldwide.
Payment Tracking Making a payment without a way to track the funds is worrisome and frustrating.	Payers can log in and review payment status at any time. Email and opt-in SMS notifications are sent each step of the way.
Limited Support Time zones make it challenging to receive answers to payment inquiries in real time.	Around the clock multi-channel support is available to answer questions.
Short Balance Payments Unexpected bank fees create confusion and leave students with a balance on their account.	Short balance payments are eliminated, ensuring full payment is delivered to the institution.
