

BUS GUIDELINES

Students Guidelines

Before School Morning Pickup

1. The Bus Driver is in complete charge of the bus and students must respect his/her authority.
2. Students need to be at the designated pick-up point at least five minutes before the scheduled pick-up time.
3. If students do not arrive at the schedule pick-up time, the Bus Driver will wait for ONE MINUTE before proceeding to the next destination.

While on the Bus

1. Hold the hand rail (if there is one) as you get on the bus. Don't push or shove.
2. Young students are recommended to be seated in the front seats for better monitoring by Bus Mom.
3. Students cannot choose which bus they will take.
4. Go directly to a seat (or one assigned by Bus Mom). Remain seated and face forward for the entire ride with seatbelts on at all times.
5. Do not run, walk or stand on any parts of the bus when the bus is moving.
6. No reservation of seats for friends traveling on the same bus is permitted. Each student is entitled to one seat only and bags are to be placed under the seat.
7. Do not stick your feet or hand into the aisle as someone might trip or injure your hand while passing through the aisle.
8. Do not extend any part of your body through the school bus windows.
9. Do not throw anything out the windows or around the bus.
10. No food and drinks are to be consumed on the bus.
11. Talk quietly as the driver must concentrate to drive the bus safely.
12. Do not use iPad, laptops, mobile phones or portable music players while on board school buses. The Bus Mom reserves the rights to confiscate any of these items if it disrupts the Bus Driver's concentration and if it causes disruption among students. Confiscated items can only be returned upon reaching the designated drop-off point.
13. Students are expected to speak with respectable language. Teasing, name-calling, swearing, fighting, bullying or rough play is not acceptable at any time.
14. Rudeness to the Bus Driver and Mom will also not be tolerated. The Bus Driver will report all matters of misconduct to the Stamford's Transport Manager and appropriate disciplinary action will be taken.
15. Books, coats, school equipment, and band instruments may be transported on the bus provided they can be secured under the seat or at the front of the bus and not placed on the bus aisles.
16. Dangerous and sharp objects, such as pocket knives, are not allowed on the bus. Stationery and toys should be kept inside school bags. The Bus Mom has the right to confiscate all these and return confiscated items upon reaching the designated drop off point.
17. Students must cooperate in keeping the bus clean and free from damage. Any malicious or willful damage to a school bus will result in immediate withdrawal of transportation services for the student(s) involved. In addition, the cost of repairing the damage must be satisfactorily settled by that student's parent.
18. No changing/removal of clothes on the bus.
19. No pushing or shoving is permitted on the bus.

In case of an emergency, students are to remain in the bus unless otherwise instructed by the Bus Driver.

Getting off the Bus

1. No pushing or shoving. Hold the hand rail (if there is one) as you get off the bus.
2. If everyone is getting off the bus, students at the front are to leave first. Follow the Bus Mom's instruction.

Parents/Guardians Guidelines

1. Parents or guardians are not permitted to ride the bus together with students.
2. Parents cannot choose which bus they will take.
3. Parents cannot choose which seats their child/children will sit on.
4. If your child/children does not require bus service for the following morning, please inform the homeroom teacher, the Campus Manager (transport@sais.edu.hk) and the Bus Company via email the day before by 4pm.
5. If your child/children does not require bus service for the afternoon bus schedule for the day itself, please inform the homeroom teacher, the Campus Manager (transport@sais.edu.hk) and the Bus Company via email by 10am.
6. It is crucial that you keep the Bus Company informed of any changes of address or contact phone numbers for yourself or guardians/helpers meeting the children at the drop-off points.
7. Whenever possible, communications should be done via the Bus Company, not directly with the Bus Driver or Mom.
8. Help to ensure the students are brought to the designated pick-up point at least five minutes before the scheduled pick-up time.
9. If parents or guardians do not arrive at the scheduled pick-up time, the Bus Driver will wait for ONE MINUTE before proceeding to the next destination.
10. If parents or guardians are to pick up the students from the drop-off point, please be at the designated drop-off point at least five minutes before the scheduled drop-off time.
11. Parents/guardians of young students must ensure that their child is met upon their arrival at the bus drop-off point. It is crucial that you are on time to meet your child as the bus cannot wait at any drop-off point or the driver may bring your child back to school. Parents/guardians will then be notified to come and pick up their child from school.
12. Drop-off time may fluctuate depending on the departure time, the number of students on board each day, traffic/weather conditions and unforeseen circumstances. Therefore, parents are advised to avoid making arrangements for any after school activities too close to the scheduled drop off time.
13. In the event of a change in residential address, the Bus Company needs to be advised at least 2 weeks before the change in order to continue enjoying uninterrupted transport services.
14. If your child/children no longer require bus service, please kindly notify the Bus Company at least 2 weeks' in advance. Without such notification, we will assume that the service is required and fees will be charged accordingly.
15. Due to the limited seating capacity of each bus, temporary bus change for play dates or other events cannot be accommodated.
16. The bus, bus route, pick-up timing/location and the drop-off timing/location may not be the same throughout the year.
17. Students who are not bus riders will not be permitted on any other buses as they will not be covered under the insurance plan.

Disciplinary Process

Students are strongly encouraged to make the right choices when riding the bus. Older students need to exemplify the importance of being role models to younger students. In the event of a repeated misbehavior on the bus, students may eventually lose the privilege to ride the bus.

In the event of an incident (bullying, provoking, acting silly, etc.) on the bus, affected students need to inform the Bus Mom on the matter for them to intervene and it will be subsequently reported to the school.

Students found misbehaving on the bus will be reminded of their behavior by the Bus Mom or Bus Driver. Should reminders not improve the situation, the Bus Mom will inform the school for incident logging. The school may speak to the involved student/s to remind them of their behavior. If the need arises, parents of the involved student will be informed.
